GRAND KNIGHTS MESSAGE

Brother Knights,

I have the honor and privilege of becoming the Grand Knight of our council for the coming fraternal year. Together I know we can make our Council 345 the best council in the State of Pennsylvania.

Our objectives as Knights of Columbus is to work together to help those in need and support our Churches, Clergy, Seminarians and Community.

For those of you who have been participating in council activities, I thank you for your service. For those members, who for whatever reason have been unable to actively participate, I hope you will be able to find opportunities this year to join us. The primary ingredient is your active participation in the workings of our Council. One way can be by attending our monthly meetings. In order for us to grow as a council we need your input, ideas and encouragement.

I know there are some of us who for one reason or another find it difficult to attend the monthly meetings, as we all have different family obligations and job responsibilities; but surely we all can do something even if it is attending a Knight event and getting to know your brother Knights.

Our council is preparing to publish a Quarterly Newsletter, reporting what we have done and what events are coming up in the next quarter, starting January 1, 2012.

I am looking forward to your future participation and support. God Bless and Merry Christmas.
